## **FHP "BUY AMERICAN ACT" COMPLIANCE INFORMATION**

### **PRODUCT: WATER SOURCE HEAT PUMPS**

FHP Bosch Group manufactures water source heat pump units for heating, cooling and ventilation in commercial and residential buildings. These units are completely assembled in our Fort Lauderdale, FL manufacturing facility and are built according to customer specifications. They have varying amounts of foreign content and our review indicates that 88% of the cost of the product comes from U.S. suppliers. Furthermore, all steel and copper that goes into our product is 100% sourced from U.S. mills.

If additional information is needed, please contact Mat Blahnik, Manager of Purchasing & Logistics at 954-776-5471.

Sincerely,

A handwritten signature in blue ink that reads 'Bill Dean'.

Bill Dean  
Director of Engineering
